

Please use this form to notify GOG Foundation of any site roster/personnel changes.

Site Address and Primary Site Roles are only required if a change is required. Use the corresponding checkboxes to indicate which information is to be updated.

Please report participating site staff on pages 2 and 3. Sites prepared roster lists are acceptable in lieu of the Site Staff section; however, the Primary Roles section should still be completed.

Completed and signed forms should be submitted to gogregulatory@gog.org.
